

Summer Term Planning 1

Travel!

Intent

This term we will be looking at “travel”. We will look at “travel through the ages” and at travel on land, sea and in the air. We will look at “working vehicles” so construction and farming vehicles, refuse trucks, cargo ships etc. We will revisit “people who help us” and look at fire engines, police cars, ambulances, and the coastguard – and also military vehicles. We will look at different modes of travel around the world such as trams, sledges, took tooks. We will try to inspire the children`s imagination and sense of awe and wonder by choosing vehicles to take “fantasy journeys around the world” – revisit what we have learnt about different environments and countries. Remember what is unique about Great Britain – our London buses and black cabs!

Implementation

We will offer a balance of child initiated and adult-led learning using continuous play and small group activities.

The theme of “Travel” will be broken down into smaller weekly topics as below, and within these topics we shall be teaching the seven areas of learning.

Impact

By the end of this half term we would like to have enhanced children`s understanding of the world by learning about all different types of travel most of which they wouldn`t have experienced. We can promote that sense of past and present by looking at how travel has changed over the years. We can consolidate previous learning of the world and it`s environments and look back at people who help us.

Weeks 5

Travel Around the World!

Different modes of travel around the world (horses, camels, sledges, trams, toots etc) Revisit what we have learnt about different environments

The Jubilee!!

Week 1

Travel on the land!

All about bikes, cars, motorbikes, trains, buses etc. Also - how has travel changed over the years?

St George`s Day.

Week 2

Travel on the sea and in the air!

Airplanes, hot air balloons, helicopters, gliders, different types of boats and ships, barge and ferries.

Week 4

People Who Help Us!

Fire engines, ambulances, police cars, coastguard, military vehicles. Revisit stranger danger and "consent".

Week 3

Working vehicles!

Construction - diggers, bulldozers, etc. farming vehicles eg / tractors, waste collection trucks, cargo ships
