

# Summer Term Planning 2

## It`s a Kind of Magic!

### Intent

This half term we will be looking at fantasy and the fantastic! We want to capture the children`s imaginations and look at monsters, fairies and superheroes and all other things magical! We want them to be able to apply the knowledge they have gained to imaginary situations, and to have the confidence to make up stories and mark make in a creative way.

### Implementation

We will offer a balance of child initiated and adult-led learning using continuous play and small group activities.

The theme of “It`s a Kind of Magic” will be broken down into smaller weekly topics as below, and within these topics we shall be teaching the seven areas of learning.

### Impact

Over this half term we aim to consolidate the years learning through a fun, creative topic. We will again be revisiting many of the areas that the children have been taught over the year to see what they can remember.

### Week 6

Teddy bears picnic! (Link back to what they've learnt about keeping their bodies and teeth healthy)

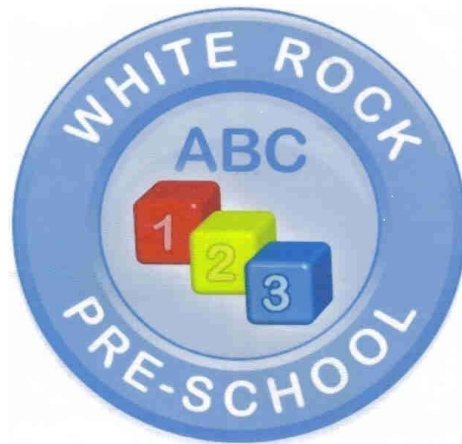

### Week 1

All about magic.

Elves, fairies, and magical creatures.  
Witches, wizards and magical potions!  
(Link back to science week)

### Week 5

Fairytales and nursery rhymes.  
(Link back to growth and lifecycles)

### Week 2

Monsters, dragons and aliens!

(Link back to planet earth and "space" – being caring citizens and looking after our planet and each other).

### Week 4

Fantasy Islands!

(Link back to what we have learnt about environments and families and animals around the world / travel)

### Week 3

Superheroes!

(Link back to people who help us)
